Julius is look-out on top of a ship. Along comes a great bird and pulls him away. He drops the cat on another ship where he sees a Pirate forcing his attention on Alice who is shackled. He interferes and is captured by the bandits. They make him walk the plank after binding his hands. A swordfish cuts the ropes and Julius asks him to cut a hole in the ship which he does.

Julius hoists himself on the sinking ship thinking to rescue Alice. All the Pirates attack him and single handed he slays them all, except the villain. He has to put up a big fight with him but succeeds in killing him. He and Alice then sail away on a float.

THE END.
